INDUSTRIAL PRODUCTS

CLAMPS & T-BOLTS

Fitrite™ Industrial Fittings are a new product line for GCP. These versatile worm gear clamps come in a wide range of sizes and are precision engineered for a number of applications from simple home and auto repairs to heavy industrial uses. GCP's line of heavy duty T-Bolt clamps are designed to provide a consistent seal under pressure in high vibration or large diameter applications. You can be sure that with GCP there will be a clamp size to meet your industrial needs.
