SUBJECT: RoHS – EU Directive 2011/65/EU (8-June-2011)

DATE: 24-July-2014

To whom it may concern,

The purpose of this letter is to explain the EU RoHS regulation in relation to GCP Industrial Products. As a supplier of industrial products, primarily sheet rubber, our products are not directly covered by the directive. However, to assist the downstream customers who require compliance with Directive 2011/65/EU, GCP Industrial Products confirms that to the best of our knowledge there are no substances in our products which exceed the maximum permissible concentrations per Annex II.

These substances and corresponding maximum concentration values are as follows:

Lead (0.1%)

Mercury (0.1%)

Cadmium (0.01%)

Hexavalent Chromium (0.1%)

Polybrominated biphenyls (PBB) (0.1%)

Polybrominated diphenyl ethers (PBDE) (0.1%)

This information has been presented to the best of our knowledge as of July 24th, 2014. We will continue to monitor updates and changes to the regulation with a commitment to ensuring that our products maintain compliance with the requirements and obligations of the EU RoHS regulation. Should you have any questions pertaining to the content of this letter or the RoHS regulation please don't hesitate to contact us.
